PRO SKI RACE FRAME

This frame enables a perfect ski simulation of a carving turn. Revolutionary platform with rotation. It was designed especially for excellent skiers and competitors. Because of the outstanding simulation of ski turns you will feel as if you are on an actual ski slope. The Race frame is best suited for physical and technical preparation for the competition season. No other ski equipment of this type is able to simulate actual skiing that well. Ski poles are included.

100% sweating warranty !!!

Compatible with:
PRO SKI B-TYPE CART
PRO SKI S-TYPE CART

RETAIL PRICE

PRO SKI
B-TYPE CART

Designed for normal and advance skiers. Possibility of setting two foot pedal position.

Compatible with:

- PRO SKI** RADICAL FRAME
- PRO SKI** POWER FRAME
- PRO SKI** RACE FRAME

299,50EUR

PRO SKI
S-TYPE CART

It provides the same type of ski exercise as the B-TYPE cart, but is further upgraded with the revolutionary ST Control Computer that gives you additional information on the quality of your ski technique through an touch-screen LCD. It's the best suited for experienced skiers. The S-type cart control your every step and provides audible warnings for incorrect ski turns.. The machine will help you refine your stance and optimise the pressure you apply to an individual "ski" as you go and exit a turn.

Compatible with:

- PRO SKI** RADICAL FRAME
- PRO SKI** POWER FRAME
- PRO SKI** RACE FRAME

1.099,50EUR

PRO SKI
P-TYPE CART

Designed for all size of ski boots training. Easy set and go rental ski bindings. Optimal ski feeling in all parts of the ski turn. Innovative longitudinal movement option. High manufacturing quality.

The kit includes:

MARKER Fastrak III ski bindings

Racing panel

High-quality protection against sliding.

The best selection for ski turn simulation!

Compatible with:

- PRO SKI** RADICAL FRAME
- PRO SKI** POWER FRAME
